

# GCS IPMA-HR CONFERENCE

## Topic ~ Job Analysis

Presented by Igor Shegolev

President & Founder of HR Know, LLC

*(Consulting firm for compensation, total reward system design, & job design analysis)*

### One-Day Conference (Mask Required)

Learn about the purpose, process, and methods of conducting a job analysis. Experience hands-on practical learning and group exercises during the workshop.

*Mr. Shegolev has over 25 years experience in managing all aspects of compensation and employment analytics. His experience includes executive level positions at Ascension Health, Pima County, and the State of AZ. He holds several master's degrees and has taught graduate business courses at Troy University and the University of Phoenix.*
